

Get into Football

Hambleton & Richmondshire Junior Football League Under 11s 2017/18 Season (and Under 13s)

Can we please invite your club to consider your local junior league. We are a small, friendly, very democratic, Charter Standard League covering a large but sparsely populated part of North Yorkshire. We are quite open that we are squeezed between the TJFA to the north and the Harrogate & District League to the south but we try and provide an alternative while avoiding long travelling times. We operate a 3 Phase season to provide both development and competitive football.

We know that you have teams in one or other of these Leagues and are not suggesting you disturb that (though we would warmly welcome you). We would, however, put a suggestion to you which may be of interest particularly in one or both of 2 scenarios.

- You have more players than you can register in your current Under 10's team/s or who do not regularly get enough playing time.
- You have some players as above in both your current U9's and U10's who could join together (some of our teams are dual year band and indeed mixed gender).

We would remind you that you can dual register players in 2 different leagues so it is not necessarily a case of one league or the other. You may also have players who (or whose parents) find the larger leagues a little intimidating. We are not intimidating while still playing competitive football.

This flier is aimed particularly at Under 11's for next season but we also very much welcome expressions of interest from those who will be Under 13s on the same basis.

We aim to get as many kids playing football on a Sunday morning as we can.

We also go indoors for Futsal in the worst of the winter months. The weather this winter so far has been quite benign but last year clubs looked enviously at our playing Futsal every week while they just looked at puddles. Please check out our excellent website www.hrjfl.org.uk and contact us. We would be delighted to hear from you.
